

## EXCITING NEWS REGARDING YOUR BENEFITS

Thank you for supporting the Mint Museum membership program. We are excited that you are a part of the museum family! Your membership helps the Mint to make a significant impact in the Charlotte community by supporting: community events, school tours and our outreach events. As you might have heard by now, we are improving our membership program to better serve our members and the community. We have simplified our levels to allow you to give within a range based on what type of impact you want to make with us.

Your current level will remain active until your expiration date. You will receive a new application by mail when it is time for you to renew and select a new level. Thank you again for your continued support of The Mint Museum membership program and helping us to reach new heights. Keep reading to find out more about our new levels and added benefits!

### What's staying?
